Your Honor:

My firm, along with co-counsel, Fishman & Mallon, LLP, represents Plaintiff in the above referenced FDCPA class action. At the most recent conference, held before Your Honor on 5/31/13, the Court expressed concern about certain discrepancies in the proposed settlement agreement and related documents. (ECF Doc. #35 (including exhibits)). For example, the Court informed the parties that the scope of the release as described in the class notice was not identical to the scope of the release in the settlement agreement.

The parties agreed to review and correct all such issues by 6/28/13. (ECF Minute Entry, 5/31/13). I write, on consent, to request an extension of that deadline to 7/8/13. The reason for my request is the press of deadlines and hearings in other cases. I note in this regard that, since the 5/31 conference, other aspects of this case have been extremely active (ECF Docs. #50-63).

This is the first request for extension of this deadline. The requested extension does not impact any other deadlines.

Respectfully,

s/Daniel A. Schlanger
